In addition to the information that I must disclose to you in this statement, I must also disclose other information to you in a separate disclosure statement (or statements), including information about the types of services that I provide, the fees that I charge, and any actual or potential conflicts of interest. If I have not provided that information to you at the same time as I give you this statement, I must provide it to you as soon as I can.

What sort of adviser am I?

I am an Authorised Financial Adviser. This means I have been authorised by the Financial Markets Authority (the government agency that monitors financial advisers) to provide the financial adviser services described below.

How can I help you?

I have been authorised to provide you with financial adviser services of the following categories:

- Financial advice
- Investment planning services

When I do this, I will be able to provide a service about:

☐ financial products provided by only 1 organisation;

☐ financial products provided by a small number of organisations (2 to 5 organisations);

☑ financial products provided by a broad range of organisations (more than 5 organisations).

How do I get paid for the services that I provide to you?

Payment type	Description
☑ Commissions	There are situations in which my principal and I will be paid by other organisations. How much that payment will be depends on the decisions that you make.
☑ Extra payments from my principal	I may receive extra payments from my principal depending upon the decisions that you make.
☑ Non-financial benefits from other organisations	Other organisations may give my principal and me non-financial benefits depending on the decisions that you make.

I am required to tell you the specific fees, commissions, extra payments, and other benefits that I have received or will, or may, receive in relation to the services that I provide to you. I must tell you these things before I provide a service or, if that is not practicable, as soon as practicable after I provide that service.

What are my obligations?

As an Authorised Financial Adviser, I must comply with the Code of Professional Conduct for Authorised Financial Advisers. I also have other obligations under the Financial Advisers Act 2008 (including regulations made under that Act) and under the general law.
